# GREEN ROOF ECOLOGY

---

FINAL  
PRESENTATIONS

DECEMBER 11, 9AM - 12PM

THE NEW SCHOOL  
OROZCO ROOM  
66 W. 12TH STREET, 7TH FLOOR

Join New School students in the Green Roof Ecology course for final design and ecology presentations on the future of green roofs in NYC. Learn more about student's research and field experience with the Brooklyn Grange, NYC Audubon Society, and Green Roof Researchers Alliance. FREE and open to all.
